i need to choose what type of appt it is from the following:

You need Service on a case that has already been filed

You are a new Permanent Resident and have not yet received your Permanent Resident Card

You want to file an application in person

You need information or other services

You need a form.

You are a United States Military Member, Military Retiree or a Military Dependant

I guess it's the 1st one, then it goes to the following menu:

Order from Immigration Court - If you were directed to us for processing based on an order from the Immigration Judge. You must bring all documents required in the post order instructions given to you by the court.

Case Processing Appointment - If you received a notice to go to your local office for further case processing.

EAD inquiry appointment - If your I-765 employment authorization application has been pending for more than 90 days.

Case Services follow-up appointment - If it has been over 45 days since you contacted NCSC and have not received a response to your inquiry. You must bring the Service Request ID Number related to your inquiry to the appointment.

Please advice.
Thank you.
