I'm in a workshop around the clock with an osteopath who is writing a book on the vagus nerve & an energy medicine guy. Osteopath is European and writing a book on the nervous system, emotion, easy adjustments, etc. fascinating. My friend is hosting 4 of us and the agreement is that I prepare all meals.

So - I will do my best to call but right now I'm in the loo which is the only free minute I've had. Will email later or please send a phone # to text or call in case it's after [REDACTED] leaves today.

This workshop is over Thursday morning.

Fine to miss this round with Jamie if that's the way it rolls. I got confused when he said he'd tried to reach you 3 x and couldn't. Misunderstanding.
