Svet,

Jeffrey asked me to coordinate this with you:

I have a package waiting for me at a clothing store in Paris.

The store is Equipaggiamenti. The address is 3 rue de Sevres 75006

The package has already been paid for. It is under my name.

The contact at the store is Gregory.

The package needs to be picked this week because the store is closing on Saturday for 3 weeks.

Jeffrey will take the package back to NY on his next trip.

Thank you.

Mark

PS. Please let me know when it has been picked up.
