Hi there

What if you aim for South Africa Uganda and Zimbabwe and a few days in each?

Would that work? Which dates make sense for you?

Hi,

Thank you for your email. Yes, I'm intresetd in comming to Africa. I've already started taking vaccinations. Jeffrey sent me an email with some suggestions.

I have checked that Tanzania, zimmbawe, zambia, uganda - i can get a visa on arrival (airports). Rpa no visa until 30days. Ivory, ethiopia, ghana i will need a visa and i have to give my passport away for 2-3 weeks to get visas (passport has to go to germany). I havn't booked any tickets yet. Which countries would be the best to go? I can leave second half of August.

Best regards
