I need a short bio and her full name please!

Tomorrow afternoon will try to send complete list of options as she will need to sort out her visas/flights

There's some really neat stuff going on in Ethiopia with Gates and then also in Nigeria with Mara.

She might enjoy seeing how tech startups in Nigeria look a lot different in Africa. Team is young and great fun and it's very safe for a day or two. She could also spend a day in Dubai!

More later busy schedule still till tomorrow afternoon.
