John
I have arranged for JCH to check PLC on MH distribution pumps
The existing PLC was replaced approx 10 years ago
I have asked them to price a new PLC and estimated lead time
Might be a good idea to have one of these on hand
They are scheduled for Wednesday this week
I will also have them look at well 4 distribution pumps as a preventive check
Horizon mechanical have repaired break and we have water to Mai. House and lodge
Please update Jeffrey
Any concerns please call
Brice
