I should have thought about the tattoos of [REDACTED] Sorry.
I spoke with [REDACTED] and asked about the teeth as last time I saw her all was perfect as usual, but it's been a while I had not seen her. She mentioned that she had a small accident and all will be back as normal as of October. With all that back to normal, what do you think about her? She was my assistant and she was a super serious, trustworthy and hard working one.

Thank you

thanks for your intro to the two prospective assistants. Unfortunately I need someone highly presentable. [REDACTED] tattoos would not play well in the states. nor would the missing teeth of the other girl. I would appreciate any further suggestions.
