woody,

I know little about sports, but your reputation is that you are fair. I understand that when someone disagrees with a call they can throw a red flag. I would like to throw one now. -
Though as you might imagine, I have become accustomed to tabloid accusations. I am told that you have recently called into question the propriety of my business dealings. I would both welcome and sincerely appreciate the opportunity to have a "replay" of any instance where you thought that I had deserved such a penalty phrase. You and I don't know each other well, but I believe I have always been at a minimum respectful. I am available for a coffee whenever convenient and would hope that as both you and I enter the springtime of our senility, in the same city, that any tension be discussed and hopefully if possible, resolved.. Thanks in advance.
