You're probably familiar with Scandinavian Design. The clean lines, the natural wood tones, the

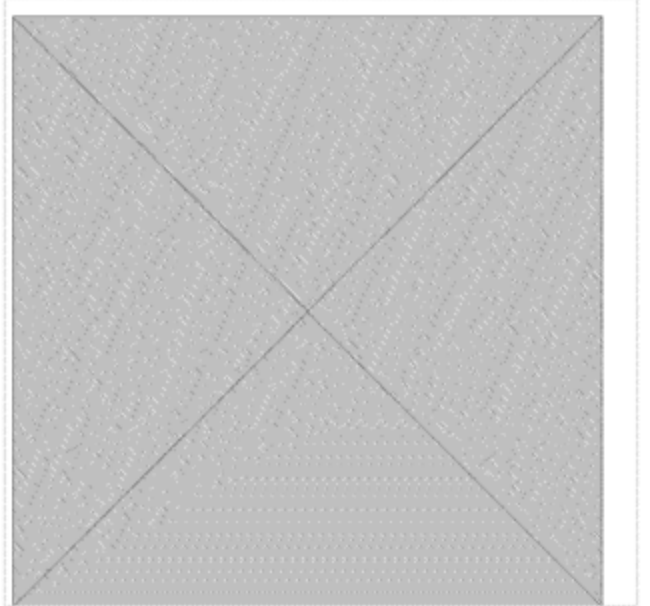

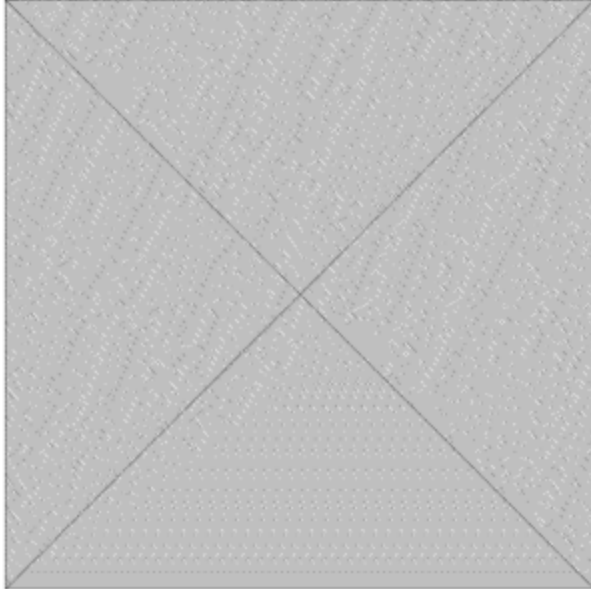

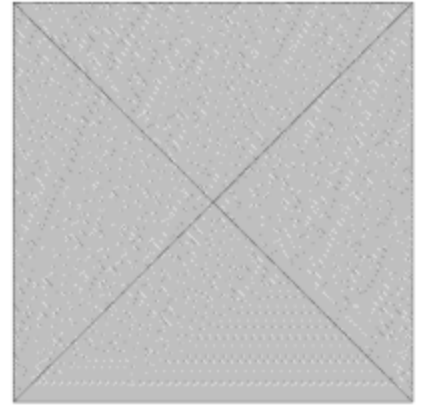

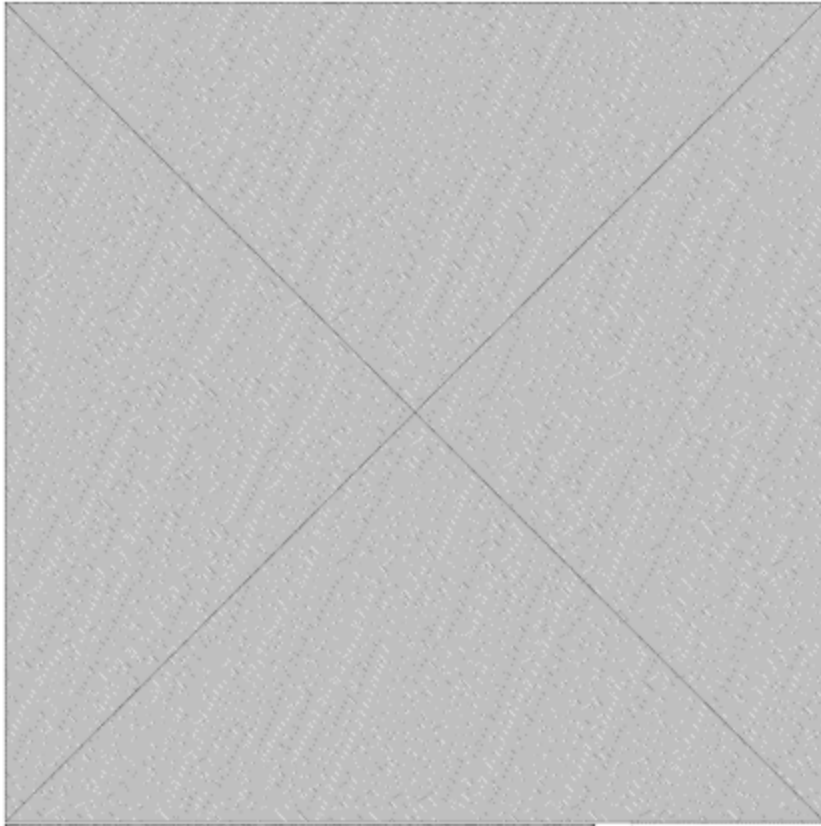

cheerful pop of color. But it's also so much more, collecting contributions from each of the unique regions that make up this stylish corner of Northern Europe.

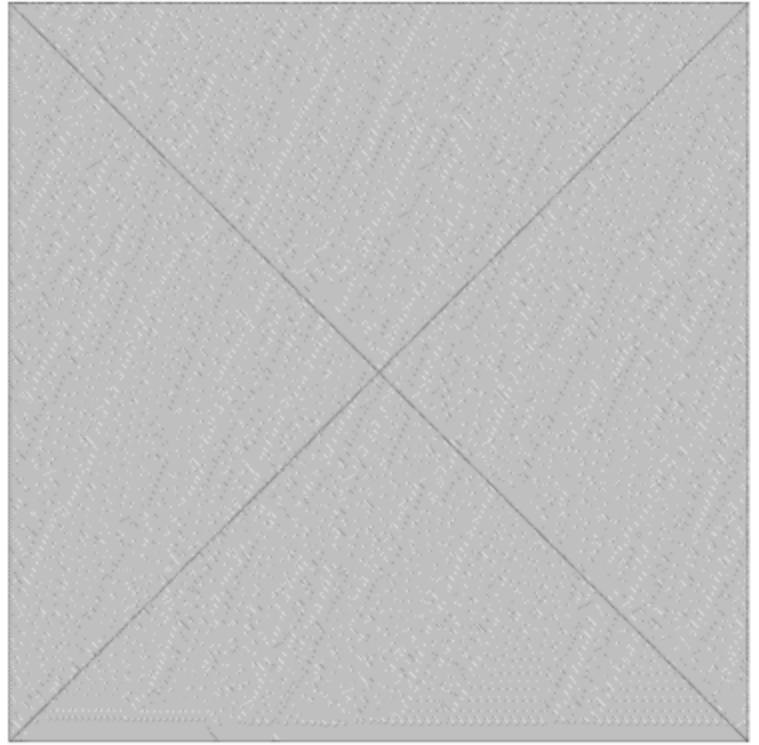

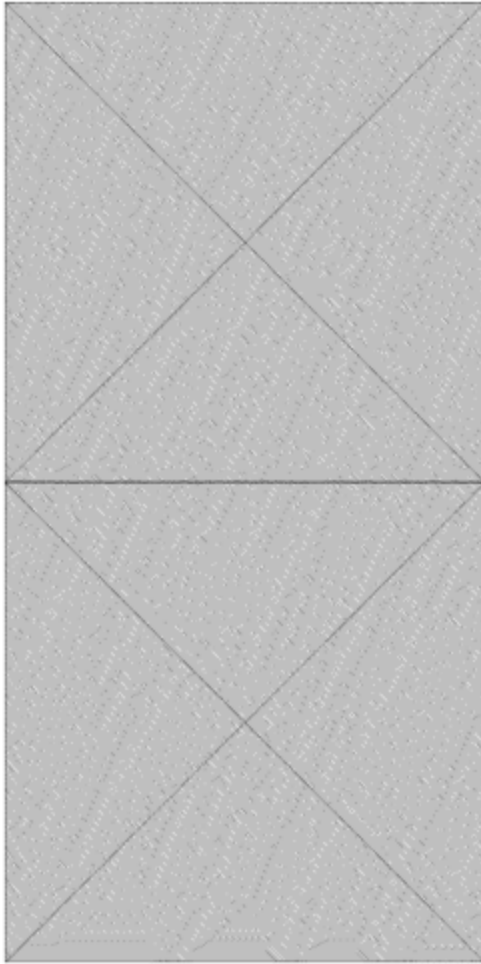

Consider Finland. From iconic woven chairs to abstract designs with sumptuous, curvy shapes, Finnish designers have given us lots to love. And nobody does glassware like the Finns. From rich dark wood tones to stunning modern silhouettes, see for yourself why this chunk of Scandinavia deserves its own moment in the spotlight.
