BRAC (BRAC.net)

Integrated and awesome development (finance education ag health)
Great experience and English speakers but also so broad and real learning
Pick country
Tanzania pretty safe of all the countries
It would be real and hard work though

Project ishizwe

Getting free wifi into cities she would need technical know or mobile experience
Founder is son of Alan Knott Craig
Stellenbosch SA

Slumdweller's international My favorite (sdinet.org) they love having interns
She could also be helpful!! Community development in cities
35 countries and base in Cape Town. Could travel to all places and experience the problems faced
by Africans they are doing a cool project w Santa Fe institute
This could be enjoyable and light touch or as deep as she would want to go
