Title: Free rides, three times sweeter

Hey Jeffrey,

This summer, we're giving you a can't-miss exclusive: **free rides worth \$30** (instead of standard \$10 credit). That means for every friend you invite who rides, you'll score three times the value! Pocket a ride this big and go crosstown, upgrade your night out, and don't sweat the fare.

HOW IT WORKS

1. Tell friends to sign up for Uber using your referral code.
2. For every friend who signs up and rides, you each get 1 free ride.
3. Track your rides in your account—and earn as many as you want!

Like long summer nights, something this special won't last forever. Collect your free rides while it's hot!

Ride on,
Team Uber
