Subject: Exhibition loans of Pledged art

Good morning Jeffrey,

Would you have some time later this afternoon (If Eileen is available) or tomorrow to discuss how you wish to address loans of the pledged art. Withers and our UK attorney are in process of negotiating exhibition loans of several pledged works and Withers has been asked not to complete them until we have guidance from Leon. I have not reached out to the UK lawyer who is working on the loan agreement with the Tate for the Malevich as Diana H. seems to think that will not materialize.
