Subject: DCA

Jeffrey

I spoke to My contact at Signature Flight support in Washington National airport, I am suppose to receive my certificate of permission to land at DCA late this afternoon or tomorrow morning, no guarantees since I've heard this before., but we are close, please keep in mind, we must make reservations a minimum of 24 hours in advance with all paperwork submitted for all trips to DCA, more notice the better.,

I will keep you posted when are DCA certificate is issued and we are approved.

Thx
Larry
