First batch Ana got were \$10 a piece Walkie talkies. They did not work out. I've ordered better ones and they have been shipped

Jeffrey,

Chris and I are going to PR tomorrow to tag the new palms and to visit nurseries to find citrus and fruit trees. Several palms took a beating this weekend with all the wind, they will be cleaned up today. One palm near info center lost all fronds.

I had a talk with Carlos and I believe things are OK. I apologized for my outburst.

The purple fountain grass needs to be trimmed once a year, so Chris deemed it best to do it while transplanting it. I asked him to trim less so it looks nicer.

The wood posts in pops garden is for the deer fence. It will go in the tunnel today.

Thanks

John
