connie, while the morgan lewis people seemed nice, I think it late in the process to bring them up to speed. Bill and I made changes to lisa's chart on June 3rd.. I suggest tax expert at JPM new york, securities expertise at Paul weiss. The woman in charge of NPT has thought through some of these issues, but again not at scale which has its own complications. I like you am confident that we can navigate through, I'd greatly prefer to use people with whom I can speak shorthand. As I told Larry I'm considering using Cathy Ruemmler to be the point legal person on this coast. Someone will have to coordinate with the counsels of the various donors who will have many questions I'm sure.
