Hey Jeffrey

How ru ? Many things are happening now. My mum is trying to move back to Switzerland, so she is working hard to try to save up some money because my youngest sister is coming also and she can't come without a job or getting an apartment. We are applying for jobs here in Switzerland but it is very difficult to get one.

I coach tennis once per week and go to uni.

Always busy, which is good but also stressful.

Hoping for the best.

How are things by you? Where are you now?
