Attached emails from Durham Comm and T1 service quote you reference

Durham Comm indicated on June 2nd that they would have estimate to us by Wednesday 4th
Unfortunately they have not received pricing from the microwave radio manufacturer.
It has also been indicated a possible **6-8 week lead time** for equipment if we proceed.
Basically new service would not be installed until **August**

I do have Service Quote from TW Telco for New T1 services, 7.5 Mbps data and 1 x PRI T1
phone.

Existing MRC is \$951.45 for 2 x T1's

New MRC is \$1390.60

There is a one time charge of \$2074.13 for change of services etc

Indicated Lead time for order is **4-6 weeks,**

Do you wish to place order for T1
