Good morning,

After few mails what we understand you want is a decoration in scope to the Porcelain Room of the Royal Palace of Aranjuez style but not an exact reproduction of it. Is it that correct?

In order to satisfy your request we will appreciate if you could send to us a drawing of the room in which shall be included the dimensions of the room and it has to show clearly where the windows and doors are placed. Once we receive that we can proceed to send you a budget.

We are looking forward to hearing from you.

Best regards

Diana
