Just noticed that I never answered on this email. It has been very hectic and heavy here.
Please let me talk to her and see how I can help.

I already nominated CEO of ResearchGate Ijad. I will try to find someone else of YGLs and do it in syndicate.

I need to discuss a strategy w her and decide few things - such as UK vs Germany vs USA as "home country" as well as her application.

So please let me talk to her and see the best way forward

Only 14h more in Zagreb...
