I want you to succeed. as you already know. my suggestions not much different from the ones three weeks, ago. 1 YOU should not be doing the negotiations. you have done yourself a disservice. 2 Google is the best partner, the other offers were only to use as leverage. 3. you need , or the person in charge of negaotions really needs , accurate numbers. that is paramount, you do not have a good grasp. 4 as my friend i feel you have the right to commit finanail suicide, you are on your way, Im merely pointing out the result that appears on the horizon. 5 I understand you do not take advice . shame. you have an amzing opportunity , that i told you on the island was yours to lose . snathing defeat out of the jaws of victory wouldl be a sin
