Hi Jeffrey

Hope all is well. I believe some art works may be facing a coming bursting bubble. Perhaps now is a good time for Mort Zuckerman to sell his Rothko, I do have someone looking for a private, off the radar , purchase. Do you think it is worth bringing up to Mr. Zuckerman, I believe I can be a big help, now is a good time to act and take 50 million plus off the table. Let me know.

Regards

Ralph
