Jeffrey,

Time for my annual check in :-). Can't believe it's been a year since leaving NYC. Don't ASK...Progress very slow on my "future" :-)

Heading through NYC via a modeling job in Germany. Tomorrow have a "get together" about possibly hosting a new media show. Cross your fingers.

In the meantime I'll be in the city Sat/Sunday if you want to get together for a cup of tea:-)

I do hope all is well with you....sending white light your way.

P
