I did not know I won't like it I said if you " might not " like it . Jeffrey yes it was my fault I should have asked you . It was a chaos in my head that day as I was rushing to finish and submit my paper before due time. I heard we were more likely not coming I thought you and Karyna just wanted to go together in peace . Also Jeffrey I did not know you needed me you never mentioned you needed my help I thought you asked me just to be nice as usual when I asked you what your plans were. You said to Karyna : "[REDACTED] is ALSO coming w you and Jane" it sounded like you already arranged the trip and just added me . Jeffrey if you say that you need my help I would not even call and ask Karyna if it ok if I do not come I would never ever do that ?! I am sorry I screw up your weekend 💎
