You are confusing their offer with reality.

I have much better ones coming. On Jun 2, 2014 4:35 PM, "jeffrey E."

I hope that you ability to design systems far exceeds your ability to structure finance and negotiate on your own behalf. The only thing that i have seen in writing from google gave 35 cash, plus a future above 10x return salary not included. I think 25 % of the upside above that offer, would be fun . If you prefer another structure, i will consider. , but I will do nothing tomorrow if you prefer to wait..
