if she currently has a lease , they cannot ask her to leave. you cannot agree to stay a year. she told you one month security and one month rent. that is what you can do. . if it is 1650 instead of 15 ok. but that is all you can do. at your age.

Yes, but she wants to sign lease with me as well, to be sure she won't have to pay by herself if I ran or whatever.
