Re an appt with Andrew...I asked if he could do 4pm on Sat but he is booked all afternoon/evening (has a bar mitzvah and a bday party) then I requested an 11:30am meeting...below is the reply:

Hi Lesley,

Andrew will call Jeffrey in the morning once he sees how the day unfolds. He has two young children and home and commitments in the evening. He is also flying out the next day for business so he is a little swamped at the moment.

Thanks,
Chelsie
