"The movie will change the way people think about eating."-USA TODAY

Everything we've been told about food and exercise for the past 30 years is dead wrong. FED UP is the film the food industry doesn't want you to see. From Katie Couric, Laurie David (Oscar winning producer of AN INCONVENIENT TRUTH) and director Stephanie Soechtig, FED UP will change the way you eat forever.

Runtime is 92 minutes

In Theaters May 9th, 2014
