congratulations. . 1. board meeting was typical and conclusions could have been we will try to study everything from quanta. to cells. to behavior, to stars . ---silly, no defined goal ;, project. metric, . 2. study on violence even sillier. tools from the last century, extrapolations from written reports and observations, politically correct, bloviating, . - game theory has moved on, punishment, altruism with computer simulations, algorithms million s of outcomes per second, as opposed to listening to a poem from an aboriginal tribe and ascribing meaning.

I have recently seen Rolling stones, the who. bruce springsteen, billy joel, pinker, dawkins etc. all good performances doing their oldies.
