You would have found last night funny...

I got pulled over. Officer took 20min, came back and said he had good news - there is no warrant for my arrest. I asked if he had more good news. He said: well, at this speed, I could put handcuffs on you and take you to the station but I'm only giving you a ticket - is that good?' I think I was supposed to say yes and not grin when he said handcuffs... He actually laughed at my reaction.
