sh.t I got [REDACTED] a beautiful toy puppy as I knew she wanted a real one. I left it in a basket 'sleeping outside her door.

She called me sobbing, I couldn't hear what was wrong...when I did manage to get it out of her... she said she doesn't know who could play such a cruel joke...she thought it was a dead puppy!!!! My what I thought was a sweet idea backfired and turned into a jeffrey joke!!!
