ART DECO

Exclusive decor inspired by the Chrysler Building in NYC.

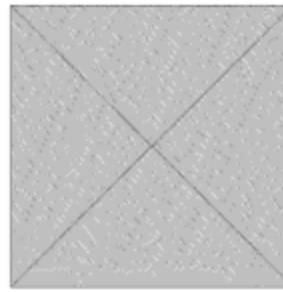

The Chrysler Building looms tall and glamorous against the New York City skyline. Considered one of the most famous relics of Art Deco style, the building fuses **ornamental metalwork** and symmetrical **geometric patterns** into a stunning work of industrial art. Striking and modern and oozing with luxury, Art Deco design still resonates today. Feast your eyes on impossibly arched floor lamps, shimmering crystal chandeliers, and dashing liquor cabinets. Choose your favorites and **infuse your own space** with a bit of glitzy Art Deco style.
