Spring 2014

AICE PROJECTS

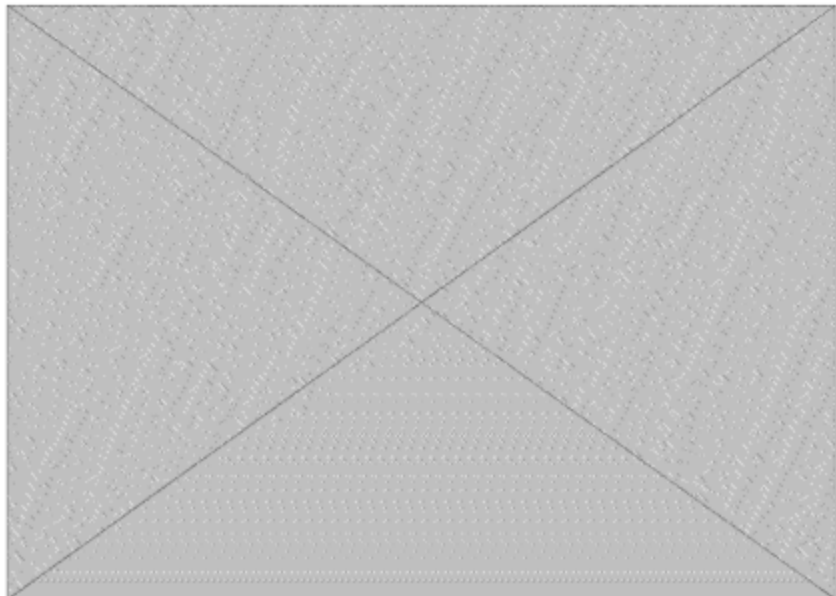

Dear Friend,

Communities across the world continue to commemorate and celebrate the 66th anniversary of Israel's independence. At the same time the Jewish state commemorates its founding, we are also celebrating our 20th anniversary--an incredible milestone for both the State of Israel and our organization. The impact of our programs and projects, like the Jewish Virtual Library and the Israel Scholar Development Fund, richly showcase the "nes" or miracle that is the State of Israel by reaching more than 10-million people annually.

Donate now to the American-Israeli Cooperative Enterprise and let's work together to continue to strengthen the US-Israel relationship!

At AICE, we strive to provide the world with pertinent information about Jewish and Israeli history, politics, and culture. The world simply thirsts for knowledge about Israel and the Jewish people. Help us continue to make resources and programs, like the JVL and ISDF, accessible to everyone.

Contribute \$36 or more to AICE today and help us continue our critical work!

Thank you for your support,

Mitchell Bard
