Good evening Dear Jeffrey!
How are you? How are your travels?

It has been a while since I didn't hear from you. Hope that everything is going well and you are feeling good! It's a pity that I couldn't come last week together with [REDACTED] to visit you and bring myself the "traditional" bread that I brought coming back from Lithuania. Really hope you enjoyed it!!

Wishing you all the best!
Kind regards,
[REDACTED]
