Jeffrey,
I have 2 paint quotes at this time, one more quote by Friday.

-Jacksonville shot that painted GIV quote \$149,800 Aero Pro (down time 3 weeks).

-Brunswick shop were Mx is being completed, best choice since no repositioning needed,
\$145,000 (could negotiate better price). Two week+ down time,.

- I will locate better B727 photos for you to work with,.

I have requested estimate from paint shop for touch up of aircraft to compare with full paint
job,.

Below are some current photos of our paint scheme, plus one extra interesting photo at the
bottom.

-Down time for paint Is two weeks at Brunswick shop, they could start Monday and have most
of the paint work completed by the time the engines return from Miami Gas Turbine,.

Thx
