Dear Lesley,

Names and location of all Portrait Scholar applicants. Two-thirds of the artists are on the fourth floor so lots to see there. The others are scattered throughout the building. I'll have the web site link for you in a day or so. Jeffrey will want to select six artists in total. Three first place and three second place. Once all the selections are in from the sponsors we will begin matching sponsors with artists. The process takes a few weeks.

Thank for your assistance.

Best wishes Lisa

Hi Lesley,

You'll have access to the submissions site early next week. I had hoped to get it out this week but we hit a few glitches. Jeffrey will

then choose his first and second choices and we match sponsors with artists.

I'll send you a list of the applicants and their studio locations on Monday. If Jeffrey wishes he can look at work in the studios at Tribeca Ball to help with his selection.

Thanks for checking in.

Best wishes Lisa

Morning lisa. I'm sure you are super busy with the TriBeCa Ball, but wanted to check in and see if you knew when Jeffrey should expect to receive the portfolios and info on students.

Thanks! Lesley
