Mark Wilchusky - [REDACTED] just called

He is totally nuts and wanting you to go to an event at the frick with him this evening at 6pm - small bronzes.

Brought up Woody and the post and wanting to see woodys movie and all his lecturers he has ever had and 'despite everything that has happened he still believes in Jeffrey'
and... can I please come with Jeffrey this evening and wear something sexy
and... he believes you want to buy some of his pieces.

Really sounds crazy..
