We're totally inspired by the revitalization of Detroit's urban 'hoods and the newfound entrepreneurial energy we're seeing in the city. And when something moves us, our

favorite response is to curate a collection around it. So here goes! With today's sale, we're bringing a bit of edge into your space with modern, industrial pieces like rustic pipe chandeliers, distressed metal shelving, and cool, graphic art that nods to that good ol' Detroit City spirit.
