Jeffrey

I hope all is well. I had the meeting yesterday which seemed to go well. They are flying back to Seattle this morning. I hope to hear feedback late this afternoon or early next week. I should have much more color soon. In the meantime we are adding managers on the mini millennium side and all new first loss managers are being added on that platform as well. We will have the pre-investment vehicle open a month or two before the other one. Let's talk early next week when I get more info. Have a great weekend.

Regards
