to Melanie

I am aware of your discontent with the present situation. I appreciate very much our friendship, which, of course, will remain in our inviolate box.
my proposed solutions.

1. Stick with the original agreement, 10 m on April 15, June 15 and Oct 15, and I will continue to abide by my obligations under that agreement. I found in my notes that you had also agreed to pay 1.5 million to a charity, which it appears did not happen. . you can hire others to deal with issues outside. I will of course defend anything structural that I have done or actions taken specifically related to my suggestions. I should be responsible for the car, and its maintenance, not the damage from driving under the influence.

2. I will, with your help, oversee, direct and implement the detailed strategy for the current situation. In addition to my original agreement, you will pay 65 million dollars. after tax dollars . - 100 million pre tax. in two tranches 60 million on signing and 40 on conclusion. I will use and hire my own people to manage this task, reporting first to me. I will help you set up your family office, yours being the final say and responsibility. including interviewing all applicants that you choose to run by me. There could be offsets against the final 40. to be discussed, This is obviously my least favorite option. taking more time and involving issues that only as a result of our unique friendship that I would even consider.
