It's still going on ♦

Les and daph have been liaising about a call for you tomorrow with someone names Alan and Richard.

I didn't want you relying on me as I can't focus.

Jonny and his sister are keeping a close eye on me and all the girls as well. But I don't let anyone through the door. And only speak to Karyna by phone as I know she is coming to you.

My little body hurts so badly ..
