Subject: Expense Invoice

First expense invoice is coming over for last 45 days of effort
Total is \$2750 and covers costs of combatting Clinton traction and updating our sites / content strategy.

Jeffrey I will send you article concepts per our last conversation by Monday EOD. Christina is also preparing a few for our review. We both feel strongly another few weeks should pass, and ideally two more stories should come up, before we re-visit the Clinton+Epstein story you and I discussed. Plz advise if disagree.

Happy Friday
