Thank you all for your ideas/responses, but Jeffrey will no longer continue with the regular plan...we will be in touch about trying to 're-re-organize'!

Given the difficulty to schedule this, I'd also vote for Ed via video, or arm-twist Ed to take a just-in-time Shuttle to join. This isn't worth a heroic effort to re-re-schedule.
I am in NYC this afternoon, will keep an eye on email to come as planned to give up and return early.

I agree...getting all of us in the same room at the same time is obviously difficult, so four out of five isn't bad.

If it weren't for tonight's appointment, I would have been on a plane yesterday headed for vacation with my family.
