What's knot to like?

UP TO 64% OFF

Settle into coastal life with utter relaxation: listen to the sound of the crashing waves outside while you hole up in a nautical-themed hideaway. Use blue and gray hues to bring ocean vistas indoors. Add some knotty touches—coasters to keep your tea warm and an anchor to hold personal effects. Tie in the look with cozy ombre throws and soft ocean-inspired pillows. And when work calls you back, travel with a surf-scented candle to keep your memories close.
