Subject: Thank you

Good morning Mrs. de Jongh,

I hope this message finds you well. I would like to thank you and Mr. Epstein for the opportunity to discuss employment with his organization. I found the experience to be like none other. I marveled at the uncanny, unscripted manner of the discussion and how unusually comfortable Mr. Epstein made me feel. During that brief window of time I was able to reflect on the successes and challenges of my life and career and unlike any other interview, I left truly enlightened and gratified by Mr. Epstein's words of commendation. It was indeed an honor to be considered for employment, and even more so of an honor to share my journey with such a remarkable person.

I look forward to the next steps in the process. I ask that you kindly convey my sentiments and I thank you once again for your time and consideration.

Sincerely,
Rometa
