Subject: Nobel Prize guys

...so I talked at length with Dr. Peter Agre, a medical doctor who does biotechnology and got a nobel prize in chemistry....he seems quite wonderful person also politically...he was recommended to me by Dr. Robert Lefkowitz who also is very good friend with your buddy Dr. Richard Axel...Agree has agreed to come to Stockholm for SALSS 2014 Aug 20 - 22....he has been diagnosed with Parkinsons he travels however all over the place but could it be possible you bring him over in your plane and you come along??Dr.Mathias Uhlen and Dr. Jesper Tegner would be extra happy to see you again! And also Dr. Martin Ingvar you may recall....What do you think...BE
