Iván Navarro

Saturday, March 8th, 5 – 7 PM

The Gallery & Madison Square Park

Neuehouse, Paul Kasmin Gallery & Rizzoli invite you to join us for an intimate conversation with celebrated Chilean artist Iván Navarro, best known for his socio-politically charged light sculptures. To commemorate the release of his first monograph, Navarro will discuss his latest work with poet and critic Deborah Landau and Cay Sophie Rabinowitz, former Artistic Director of Art Basel and founder of Osmos, followed by a guided walk-thru of his new sculptural installation in Madison Square Park, "This

Land Is Your Land."
