Please let me know if you have any issues with the following plan presented by DOE:

The Superintendent and our team would like to hold two ceremonies, separate from the STEM Fair, to have you present the Tablets to the winning public school students. We were thinking this would be two weeks or less from the date of the STEM Fair. One ceremony at Kean for the Kean, BCB, and Sprauve winners. One ceremony at CAHS for CAHS and Cancryn winner. Since the Tablets are for public school students only, this will solve any potential problems. Also, we can have great photo opportunities of the students and you – with the Tablets in their hands.

With warm regards,
Cecile

Hello Mrs. de Jongh,

The Superintendent and our team would like to hold two ceremonies, separate from the STEM Fair, to have you present the Tablets to the winning public school students. We were thinking this would be two weeks or less from the date of the STEM Fair. One ceremony at Kean for the Kean, BCB, and Sprauve winners. One ceremony at CAHS for CAHS and Cancryn winner. Since the Tablets are for public school students only, this will solve any potential problems. Also, we can have great photo opportunities of the students and you – with the Tablets in their hands.

Would you please support us in this approach?

Thank you,

Michael Harrigan
Deputy Superintendent
