F,
Having fun in Chicago and getting ready to head to Seattle, then TED. When do you get to Vancouver? I'm staying at the Fairmont Pacific Rim. Are you at the Hyatt?

Barnaby invited me to something in NY on April 7. If I'm able to work out my travel schedule, would it work for me to stay at 301 from April 6-9?

At UChicago, I met with the guys working on the grant below (I asked them to send me a copy - I wanted to forward it to you). Greg Norman is an interesting guy - an athlete, deep into psych, stress, neuroscience, psychophysiology. I'm just getting to know Berthold, a thoughtful musicologist.

I met with Dan Margoliash. He has the kind of ego you'd have way too much fun with.... I have a few notes. He's going to send me a few studies that aren't posted and I'll forward those on to you.

XOXO
