Subject: Hi there!!

Hi! I just tried phoning :) Must be swim time!

The Improv classes started yesterday. It's actually very interesting - and communication focused. A lot of the exercises are to break habits of arguing: saying "no" or "but" and the importance of listening, as both ppl have to be on the same page and agree to create a believable scene. Day 1 emphasized how to listen: "YES, repeat partner's comment AND (add info/value/build scene)..."You get called out on "no's" and "but's".

PS what happened to all the good porn??

Thinking of you here!
