to me, Larry

Jeffrey , your idea is brilliant

It is clearer to me now than before and it could really good be a great thing.

This week is a bit crazy with Strategy reviews and Microsoft stuff but after it I will get to see if anyone at the Foundation sees any issues with me sitting down with your people .

I have a trip to DC in March where I can probably go up to New York City at the end so assuming everything looks good and it works for you that could be the next step.
